

I am as you see by this now
 amongst the slogging town of Broom
 and mean to play my part well &
 vigorously amongst its inhabitants
 I have already spotted from its number
 3 girls and before one week is passed
 after receiving this 3 families will
 be shown into a state of delightful
 mourning. Ha. Ha. My bloody
 whom must have its way do not be
 surprised 15 Murders must be
 completed then I will myself to
 cheat the scaffold. For I know you
 cannot catch me & may I believe
 present in your dreams
 Jack the Ripper
